

THE PERFECT GIFT FOR ART LOVERS!

16" X 20" POSTER AVAILABLE FOR WHOLESALE ORDERS

Visionary artist Fred Babb created this painting over a decade ago, but his sardonic view of how artists deserve to be treated still resonates with artists and art lovers alike.

The original artwork was recently featured in the exhibit, *Peace & Politics: An Artists' Agenda for America*, sponsored by the American Made Alliance, a nonprofit arts advocacy organization founded by Wendy Rosen.

WHOLESALE: \$5 EACH, MINIMUM ORDER OF 20 PRINTS. RETAIL: \$10 FOR INDIVIDUAL PRINTS.
